

## The description of Prophet Muhammad's face peace be upon him

### **The Prophet's eyes**

The Prophet (peace be upon him) had

“big eyes“

“that is wide eyes, which are a sign of beauty

”with long outlines“

“this refers to the edge of the eye from where the eyelashes grow

”and the eyes were slightly red“

“this refers to thin, red veins. Moreover

If you looked at him, you would say he has used kohl in his eyes “

”although he had not used kohl

[related by Tirmidhi]

i.e. you would think that he had put kohl in his eyes although he had not  
.used kohl
